

**Learning Plan: Approved Course List for a Comprehensive Gap**  
**Plan d'apprentissage : liste de cours approuvés pour combler une lacune importante**

<b>Transfusion Science: Comprehensive Science transfusionnelle: cours détaillés</b>		
<b>Institution Établissement</b>	<b>Course Code Code du cours</b>	<b>Description</b>
NAIT SAIT	MLT104 MEDL360	Immunology <b>and</b> Transfusion Medicine Theory
NAIT Michener	MLT104 IH903	Immunology <b>and</b> Transfusion Science
NAIT Michener Michener	MLT104 IH903 AOML400	Immunology Transfusion Science <b>and</b> Transfusion Science Simulated Clinical Experience

**Learning Plan: Approved Course List for a Comprehensive Gap  
Plan d'apprentissage : liste de cours approuvés pour combler une lacune importante**

<b>Histology/Histotechnology: Comprehensive Histotechnologie: cours détaillés</b>		
<b>Institution Établissement</b>	<b>Course Code Code du cours</b>	<b>Description</b>
SAIT	MEDL366	Histology Refresher
SIAST	HSTC 1800	Histotechnology Refresher
CSMLS	2605 2606 9815 9816 9822 <b>and 9893</b>	<p>Microanatomy I (<b>NEW – Starting Fall 2010-</b> <i>Replaces Histology I</i>)                      Microanatomy II (<b>NEW –Starting 2011)-</b> <i>Replaces Histology II</i>)                      Theory &amp; Mechanisms of Staining                      The H &amp; E Stain                      Paraffin Tissue Processing                      *Fixation Practices (<b>NEW</b>)</p> <p><b>Fixation Practices is required if you received your requirement for a histotechnology comprehensive course after October 1, 2010</b></p> <p><i>Please note that Histology I and II are no longer available. If you have completed Histology I, but have not completed Histology II, please contact the CSMLS (<a href="mailto:pla2@csmls.org">pla2@csmls.org</a>)</i></p>

**Clinical Chemistry ~ Chimie clinique**

**Hematology ~ Hématologie**

**Microbiology ~ Microbiologie**

**For comprehensive courses in these subjects please contact the CSMLS for assistance ([pla2@csmls.org](mailto:pla2@csmls.org))**

**Pour la liste des cours détaillés sur ces sujets, veuillez communiquer avec la SCSLM afin d'obtenir de l'aide**
