Conference: The Importance of TEAM – The Power of POCT When We are Aligned

Monday, December 9, 2019
The Frank Charles Miller Amphitheatre
St. Joseph’s Healthcare, Hamilton, ON

Space is limited! Please register soon to reserve your spot.
Please join us for this free event
Sponsored by Siemens Healthineers Canada

Key note speaker: Felicity Dempsey
Felicity Dempsey is the founder and head of POCT Consultancy Services based in Dublin, Ireland. She has an MSc in Biological Science and is certified in the Leadership and Management Programme in St. James Hospital. Felicity has 38 years experience in Clinical Chemistry Laboratories with the last 12 years as POCT Manager and grew the programme in that time to a fully connected POCT system involving over 200 POCT devices operated by 2000 nurses and 800 medical personnel. St. James Hospital is the first connected POCT system to achieve accreditation to ISO 15189/22870 No non-conformances were found in the last four inspections.

Other speakers include:
Patricia A. DeJuilio, Northwestern Medicine Central DuPage Hospital, Clinical Director, Department of Respiratory Care and Sleep Center
Felicity Dempsey, MSc, Founder and Head of POCT Consultancy Services, Dublin, Ireland
Roman Jaeschke, MD, MSc, FRCPC, Critical Response Team, St. Joseph's Healthcare Hamilton
Felipe Navarro, Global Marketing Manager, Siemens
Chris Young, Clinical Informatics Specialist, Sioux Lookout Meno Ya Win Health Centre
